

COMPLETE TURNKEY EXHIBIT SERVICES

You've pulled off the impossible. Every tradeshow was pulled off flawlessly. The exhibit was set up on time. All of your materials arrived on time. Every one of your show services were handled perfectly. Best of all, you were able to focus on getting the most from your tradeshow presence. To top it off, your clients, prospects and management team all commented on what an impressive presence your company had. Total satisfaction. That's the feeling you'll get when you work with our asset management team here at Skyline Displays of Houston. We proudly call our service ExhibitPower™.

Working with Skyline means that you have the power of the world's largest exhibit network working for you. **With more than 100 offices around the globe, we have resources near your event to ensure the smoothest event experience possible.** From Moscone Center to the China International Exhibition Center to the Moscow Expocenter and Reliant Center, we've got you covered. That's real ExhibitPower.

Make the best use of your budget and time. Rely on the experience and resources of Skyline Displays of Houston and Exhibit Power to help you achieve the greatest return on your company's tradeshow investment. We realize that your exhibit is the face of your entire company and you can trust us to handle it all. It's that simple. With ExhibitPower services, you can **expand your capabilities without expanding your resources.**

Gain greater control, improve your efficiency and deliver outstanding results with customized services from ExhibitPower.

- Exhibit and accessories storage
- Show logistics and management
- World-class shipping management
- Pre-show and post-show inspection of properties
- Installation and Dismantle
